

WAHHI PRESENTS \$5,000 GRANT TO THE BOYS & GIRLS CLUB OF BLUFFTON

By Gina Hines

Members of the Charitable Grants Committee were honored to present the Boys & Girls Club of the Lowcountry, in Bluffton, with a grant of \$5,000 toward membership fees relief, which will allow more children to benefit from the amazing after-school programming and summer camps offered by this organization. Pictured at the March 12th presentation are (left to right) WAHHI members Jan Stallmeyer and Lisa Adamsky; Boys & Girls Club

Director Molly Hornbeak; WAHHI members Gina Hines, Debbie Gorski and Linda Armstrong; and B&G Club Volunteer Coordinator Linda Pace. The WAHHI members were treated to a facility tour and overview of the many wonderful programs offered by the club.

The goal of the Boys & Girls Club is to provide a safe environment for children to learn, grow and build healthy habits and relationships with each other and caring adult leaders. Children from ages 6-18 years old are served at the Bluffton club, one of only two clubs in South Carolina with a free-standing facility.

WAHHI Difference Makers recently partnered with the club in providing a "Power Hour" of STEM learning to the elementary age children.

Volunteers are utilized to help in many different ways at the club: working with the children in various subjects after school; as speakers in any area of expertise; and for special programming. If you are interested in volunteering, contact Linda Pace, Volunteer Coordinator, at Linda.Pace@bgclowcountry.org.
