

Grant Presentation to Hopeful Horizons

By Linda Armstrong, President-Elect

On February 13, 2024, WAHHI presented a \$1,500 charitable grant to Kristin Dubrowski, Chief Executive Officer of Hopeful Horizons. The grant will fund its outreach effort to reach vulnerable members of our community.

Hopeful Horizons' mission is to protect, treat and prevent by providing safety, hope and healing to survivors of child abuse, domestic violence and sexual assault and to lead in ending abuse through primary prevention and education.

The WAHHI grant allows Hopeful Horizons to print and distribute flyers/posters in English and Spanish in public areas throughout the Town of Hilton Head that encourage requests for Hopeful Horizon services and support for domestic violence victims and/or their loved ones.

Attending the ceremony were (left to right) Jan Stallmeyer (WAHHI Charitable Grants Fund Chair), Cindy Kois (WAHHI VP Events), Linda Armstrong (WAHHI President-Elect), Kristin Dubrowski (Chief Executive Officer, Hopeful Horizons), Debbie Gorski (WAHHI President) and Allison Stiller (Charitable Fund Committee Member). Not pictured: Erin Hall, WAHHI Communications Chair.

Kristin is looking for volunteer opportunities for WAHHI. As projects become available, we will share them with you.
