

DIFFERENCE MAKERS SPRING SPRUCE-UP!

WAHHI Difference Makers mulched, trimmed, weeded and cleaned up the Coastal Discovery Museum's labyrinth and nursery areas on March 14th.

The labyrinth was gifted by WAHHI to the CDM in commemoration of WAHHI's 60th anniversary in 2020, and was completed in 2023.

Thanks to Anita Maynard, who lead the group in this project. Well done, ladies!
