2024-25  
Project Request Form**

Please complete this form to recommend a WAHHI Difference Makers Project for review. Keep in mind these WAHHI mission and goals:

- To facilitate communication among women, to encourage projects that benefit the community and to promote the natural and cultural beauty of the Lowcountry.
- Positively impact our community with our hearts, hands, and financial resources.
- Promote environmental awareness and cultural stewardship of our Lowcountry home.

As well, Difference Makers strives to partner with our community non-profit organizations. Whenever possible, a project should include the organizational contact giving a brief presentation to educate WAHHI members about the mission and any ongoing volunteer needs the organization has.
